Subd to the Comptroller

I beg to state that I reported myself for duty in the Bangalore City Municipality on 29-11-44 in connection with the examination of the several questions relating to the finance etc , of the Municipality and that I have been allowed the assistance of our office Superintendent, Mr Rajagopalienga in anticipation of Govt sanction being obtained therefor pending settlemen of the adequate staff required for my work with reference to the scope of work to be done by me in this connection As the office file of the Municipality relating to this subject which was kindly made available to me by the Municipal Commissioner did not contain any specific terms of reference in connection with this subject and as I thought it better to get informatio on this point so that I may deal with these points also in my report after examn in addition to those which I may embody in the report, I submitted a note to the Municipal Commnr on the 8th of this month wherein I have stated that the subject assigned to me is a very general one, that the scope of my work is also unlimited and that it would therefore be better if the terms of reference or the particular points which I have to examine in detail are kindly furnished to me as well as to our office so that I may fix up the establishment required and submit a note to you for obtaining Govt sanction and also chalk out the programme of my work I learn that my note has been marked to the Council for consideration and so I will submit a further note after the terms of reference are firm to me

In the meanwhile I request that Govt sanction may kindly be obtained 1) for the deputation of the Supdtt Mr Rajagopaliengar for 3 months for the present (2) for the payment of deputation allowance of 20% of salary to me as well as to the Supdtt and (3) for getting my report typed by the typists of our office out of office hours on suitable lumpsum remuneration which will be proposed for sanction on completion of my work with reference to the matter to be typed, since I learn that it is not possible to get this work done in the Municipality Govt , may also be informed that a further reference will be made to them if any additional staff is found necessary after the terms of reference are given In this connection, I also request that the Municipal Commissioner may be requested to admit provisionally the pay of Mr R Rajagopaliengar Supdtt for December 1944
